SUBJECT: JTA SYSTEM ON-LINE CASH REQUEST HANDBOOK

The purpose of this information bulletin is to provide an updated *Job Training Automation (JTA) System On-Line Cash Request Handbook* for the Workforce Investment Act (WIA). This handbook contains information and procedures that the subgrantee will need to setup the remote MCI dial-up access to the State JTA system. This is followed by a brief discussion of the log-in process that the designated cash request person will utilize to access the Enter Cash Request Information (ECRI) screen from which the actual cash request is made.

If you have any questions concerning the *JTA System On-Line Cash Request Handbook*, please contact Lynda Lawson, Cash Management Consultant, at (916) 654-7891.
